

Nature Card

Hug a Tree

STEPS

1. Find a friend or family member who will participate.
2. One player is blindfolded.
3. The seeing person leads the blindfolded player to a special tree, one with interesting characteristics.
4. The blindfolded player feels the texture of the tree's bark, measures the size of the tree by putting his/her arms around it and explores its branches and leaves.
5. The blindfolded player is brought back to the starting point and his/her blindfold is removed.
6. Then he/she tries to find his/her tree.
